[REDACTED] DEPOT WEEKLY REPORT
PERIOD ENDING 12 MARCH 84

a. Support to the Office of Communications (OC):

25X1

1. D&SU is in the process of soliciting bids from local vendors for the export packing of a 55 KW generator and spares. Packing must include foil bagging of contents to protect from moisture. Commercial packing of this materiel will save the Depot approximately 100 production hours. [REDACTED]

25X1

2. Two representatives from [REDACTED] spent the week of 27 February through 2 March TDY at the Ford Aerospace Communications Corporation, Palo Alto, CA. The purpose of the trip was to participate in the design and development of specifications for vendor packing of the OC SC-3A2 Satellite Terminal System. [REDACTED]
